Common Management Admission Test (CMAT)-2019

National Testing Agency announces the All India Merit list based on the Total Marks obtained by the candidates in Common Management Admission Test CMAT-2019 conducted online on 28th and 29th January 2019.

- **54516 candidates appeared out of 64582 registered in CMAT-2019.**

- **The NTA Score (Percentile) indicates the percentage of candidates that have scored EQUAL TO OR BELOW** (same or lower raw marks) candidates. **The NTA scores of a Candidate have been calculated as follows:**

$$\frac{\text{100 X Number of candidates appeared in the examination with raw marks EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared}}$$

  The NTA Score of the Total is **NOT** an aggregate or average of the NTA Score of individual subject. **NTA** score is not the same as percentage of marks obtained.

- **A National Merit Ranking (All India Rank) has been arrived based on the Marks secured against Total Marks. In case total marks are same for more than one candidate, the ranking has been done on sectional score considered in the order of :- Quantitative Techniques & Data Interpretation (QTDI), Logical Reasoning (LR), Language Comprehension (LC), General Awareness(GA) and Candidate older in age.**

- The merit list indicates Roll number, Rank and the Marks obtained of all the candidates. CMAT-2019 score is valid for the admissions of academic year 2019-20.

- The admission authorities are advised to use score awarded to the students for allotment of seat in the AICTE approved programs along with the other criteria as applicable. Admission authorities and institutions, however, will be free to take their own decision at the time of admission as to what weightage they wish to give to a particular section.

- Candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.

- **Instances of incorrect information provided by the candidates, if detected at any stage, would make the candidate liable for disqualification.**

- Any dispute concerning CMAT 2019 would be subject to Jurisdiction of the competent courts within the territorial jurisdiction of New Delhi only.
